

Peer Review: Wheels

I enthusiastically recommend the Modifications Wheel and State Assessment Strategies Wheels for teachers, teachers-in-training, and professors of Education. I have found them to be both practical and innovative. And the customer service at Firelight Books is second to none. You can tell that the staff loves students, teachers, and the ongoing pursuit of Best Practices!

Dr. David Silverberg, Professor, Ashland OH
Ashland University

Great support for IEP teams!

Linda S. Oggel, M.A., CCC-SLP, Richmond VA

We loved them. I have ordered some for all new teacher or teachers new to their position . . . They are a great resource.

Cristie McClain, Principal
Rountree, TX

User friendly and easy.

Allison Silvertooth, All Level Reading Specialist, TX
Region 16 ESC

Easy lesson planning helper.

Amanda Weiss, Counselor, TX
Tyler ISD

Objectives with strategies to address them on the same side . . . great for new teachers.

Dinah Lopez, Assistant Principal, TX
Socorro ISD

You have it all in one wheel.

Erika Gonzales, Teacher, TX
Brownsville ISD

Quick and efficient resource for teachers.

Henry Palmeter, English/ELA Specialist, TX
Waco ISD

Quick, easy activities/references.

Rena Ramirez, Dyslexia and Intervention Specialist, TX
Pasadena ISD

I especially like "Math Language". This is absolutely necessary for success and the Wheel gives some great ideas to help accomplish this.

Susan Stokes, Teacher
Natalia, TX

I like the quick access to strategies.
Theresa Sampey, Teacher
San Antonio, TX

Concentrated information.
Ella Steubing, Principal
Bridge City, TX

Concise- easy reference.
Donna K., Coordinator of Instructional Services

Strategies are beneficial.
Claudette Morgan-Scott, Program Director
Killeen, TX

Benefits: The higher level questions- all the ideas that the wheel provides.
Patti Willerns, Science Coordinator
Bryan, TX

Benefits: Ease of use.
Dr. Lynne Goegleir-Porter, Director
Kingsville, TX

Excellent source for a new teacher in our department- great suggestions!
Teri Bagley, Special Education – CSSP
Willis, TX

Easy to use. Fellow professionals recommend this product.
Jim W., Math Supervisor

Accessible quickly
P. Granger, Principal
Houston, TX

Benefits: The convenience of having so many important resources in one spot.
Julie Gauthier, Elementary Curriculum Coordinator
Groves, TX

How to make home connections with the parent to partner in preparing the students for testing.
Claudette Morgan Scott, Program Director
Killeen, TX

Terrific test taking tips! The home connection ideas are encouraging thoughts to pass along to parents!

Mrs. Wanda J. Craig, Teacher – Department Head
Angleton, TX

Quick, handy reference.
Ronnie G., Principal

Very helpful for 1st year teachers.
Kim McManus, Principal
Caldwell, TX

These are way cool. I have one on my office door.
Jerjan, Lago Vista, TX
