

ELEMENTS OF BASIC ENGLISH LANGUAGE ARTS I

Subjects, Grades 9-10

English Language Arts Standards » Anchor Standards » College and Career Readiness Anchor Standards for Reading

The grades 6–12 standards on the following pages define what students should understand and be able to do by the end of each grade span.

They correspond to the College and Career Readiness (CCR) anchor standards below by number. The CCR and grade-specific standards are necessary complements—the former providing broad standards, the latter providing additional specificity—that together define the skills and understandings that all students must demonstrate.
