

Thank you from the Georgia
Council of Administrators of Special Education

Dear Nancy,

Thank you and Lori McKnight for donating tote bags for the Fall Conference of the Georgia Council of Administrators of Special Education (G-CASE). We very much appreciate this donation and your donation of books and instructional materials for us to use as door prizes. Most importantly, we appreciate your continued support of G-CASE. We look forward to continuing our collaboration and working together. Please share my words with Lori.

Sincerely, Emily Collins, Ph.D. G-CASE Executive Director
